1st November 2017

Dear Clients,
Bridges and Equiom

BRIDGES has always sought to provide clients with high-grade serviced office, virtual office, meeting / conference facilities, HD video conferencing and a full blend of professional advisory services ranging from company formation, accounting, working visa to dedicated secretarial support. As our clients have grown in size and number, we have been looking at ways to continually provide the best possible level of service to you. After careful consideration, we concluded that joining a larger international platform would allow us to maintain our high standard of service delivery whilst supporting both our and your expansion into Asia.

Accordingly, we are delighted to announce that, with immediate effect, Bridges has been acquired by the Equiom Group (www.equiomgroup.com).

Equiom grew out of Ernst & Young in the UK and since then has expanded rapidly across multiple jurisdictions in Europe, Asia and the Americas.

Equiom first entered the Hong Kong market in January 2015 through the acquisition of AFP Group, followed by the acquisition of Equation HK Limited in April 2016. Since these acquisitions, Equiom Hong Kong has continued to invest and has grown to 50 staff providing accounting, payroll, company secretarial, tax and trust services to international and local companies and individuals.

Asia is a key focus for Equiom and since entering the Hong Kong market, Equiom has entered the Singapore and Japan markets through the acquisitions of Heritage Trust Group and Solid Japan in October 2016 and February 2017 respectively.

Today, the Equiom Group has a global headcount close to 700.

Our larger team will give you a greater depth of resource and delivery capability, and can also offer a wider range of services, such as tax, private client wealth management and corporate services in other jurisdictions.

Very importantly, Equiom's values and approach resonate strongly with our own and we are confident that Equiom will be the ideal long term partner for our clients.

Continuity

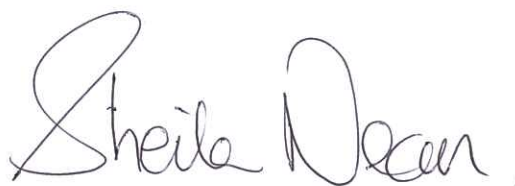

The team and I are joining Equiom and we remain fully committed to you, our clients, and to providing you with tailored services to support your businesses and investments in the region.

Our office locations and all contact information remain the same for the time being.

We understand that you may have questions in relation to this announcement. Please be assured that we are happy to answer any questions you may have and will offer you our full support throughout the period of integration with Equiom.

In conclusion, I would like to thank you for your support to Bridges and I look forward to continuing to work with you.

Yours sincerely

Fion Sen
