Lil' Siam

THAI RESTAURANT

Lil' Siam Thai Restaurant, located in the trendy neighbourhood of SoHo on Elgin Street, takes its cue from the long-standing Café Siam. The façade of Lil's Siam is reminiscent of the wooden shop houses that line the back-streets of Bangkok, with push out window shutters, all made entirely of salvaged wood from an old fishing boat. The interior is warmed with wooden, mirror-accented walls, blends with chic lighting and copper elements laminating contemporary hues and comfort, creating an evoking mood of a wonderful Thai vacation.

Lil' Siam is about classic Thai dishes from all regions of the country, with a touch of street food found in Bangkok and Chang Mai together with the authentic ingredients and flavors. You can expect the best curries, from North to South of Thailand and market fresh seafood. From roasted duck red curry to jungle curry with baby eggplant. The bar serves Thai Daiquiris, Mekong Margarita with a healthy shot of Thai Mekong Whiskey.

It is our honour to announce that Lil' Siam has been selected as one of the recommended restaurants in Michelin Guide Hong Kong Macau 2012.
